Marc Dupont

Marc has served in various forms of church leadership for over 25 years, including teaching, preaching, counseling, evangelism, and church planting.

During the last 26 years, Marc has mainly been working with Mantle of Praise Ministries, Inc. on an international level functioning in a prophetic “Barnabas ministry” of encouragement. He has ministered in conferences, seminars, and churches in well over 20 countries.

Marc Dupont

He travels between 4 and 5 months a year in Scandinavia, Europe, Africa, the United States, Canada, Mexico, the British Isles, Asia, and Australia. He is used by the Lord in a wide variety of denominations from Lutheran to Baptist and Pentecostal to Anglican. His underlying focus is basically in six areas:

1. Revival
2. The Father heart of God
3. Intimacy with God
4. Unity in the body of Christ
5. Knowing the times and seasons
6. Restoration for the traditional churches

TRAIL GUIDE

PRAYER WALK
APPROX. 1/8 MILE
A serene and secluded trail that offers you the opportunity to seek the Lord in prayer as you walk through His wondrous creation.

INSPIRATION TRAIL
APPROX. 7/8 MILE
This classic trail provides spectacular views of the valley and Forest Home below. The trail inclines steadily upward along a dirt road that leads to Inspiration Point.

OUTPOST LOOP
APPROX. 3/8 MILE
This trail meanders through dense Manzanita (California's State Shrub) and other native species of wildlife. It leads to the Outpost, our rustic camping area.

CANYON PARK TRAIL
APPROX. 3/8 MILE
Enjoy the tall trees, winding streams, and blackberry bushes unique to this part of camp. This trail follows along the Hatchery Creek and through the largest grove of Alders on the property.

MOUNTAINVIEW LOOP
APPROX. 1/2 MILE
This expedition in a challenging trail through parts of rocky terrain i provides scenic views of the campus.

HIDDEN FALLS TRAIL
APPROX. 3/8 MILE
Take a trek along this challenging trail with a vertical gain of over 5 feet, within 3/8 of a mile. The highest elevation of the trail features a spectacular view of the entire canyon. Immediately following the summit is a steep descent into a sheltered valley where you can dis the seasonal hidden waterfalls.

LAKEVIEW TRAIL
APPROX. 1/4 MILE
Enjoy a mild ascent up to a scenic view of Lake Mears. This route is commonly used to get from Creekside to Lakeview and offers panoramic views.

NEVER HIKE ALONE!
Please inform your group leader of your hiking plans, destination and who is in your group. Don't forget to bring water, plan accordingly, and stay on the marked

RECREATION

Recreation at Forest Home is all-inclusive, so there isn't an added cost for fun! Ziplines, hiking trails, and a Sky Trail Ropes Course are just a few of the options you can enjoy (depending on the season, of course).
